| Ente                | Descrizione   | Pagina Web           | Nazione |
|---------------------|---|----------------------|---------|
| A.E.P.              | Associação Européia de Psicanálise A Associação Européia de Psicanálise é uma associação livre, sem fins lucrativos, tendo como objetivo principal a defesa da psicanálise enquanto ciência do inconsciente. Suas atividades consistem na divulgação, promoção, pesquisa e formação no âmbito psicanalítico.  | <a href="#">sito</a> | IT      |
| A.I.P.E.P.          | La Asociación italiana Psicología y Psicoterapia ( <i>Associazione Italiana Psicologia e Psicoterapia</i> ) actúa desde 1999 con numerosas actividades de información, prevención y asesoría sobre el trastorno psíquico y para el desarrollo de la cultura psicológica y psicoterápica.  | <a href="#">sito</a> | IT      |
| A.I.S.J.C.A.-M.F.T. | Asociación italiana – científica y jurídica – contra los abusos mentales, físicos y tencológicos.   | <a href="#">sito</a> | IT      |
| ADHS Schweiz        | Die Interessengemeinschaft 'Psychologische-ADHS-Therapie/ADHS Schweiz' hat den Zweck, Eltern, Lehrer, Padagogen, Psychologen und Ärzte mit den entwicklungs-/psychologischen Hintergründen der ADHS-Problematik vertraut zu machen. Sie versucht durch Öffentlichkeitsarbeit das Verständnis für das Kind und seine psychische Entwicklung zu wecken, um damit ein Abkehr von der Überdiagnostizierung zu bewirken! Sie wendet sich explizit gegen eine reduktionistische, rein biologisch orientierte Betrachtungsweise des kindlichen Verhaltens, und sie wendet sich explizit gegen die überhand nehmende Verabreichung von Psychopharmaka bei Kindern.  | <a href="#">sito</a> | DK      |
| AGESO               | La asociación italiana "Gioco e studio in ospedale" y el centro de documentación "A.C. Capelli" se constituyeron en el mes de febrero de 1997. Se trata de una asociación cultural independiente, aconfesional y sin ánimos de lucro. A través del esfuerzo voluntario de sus asociados, persigue el objetivo de divulgar, promover y salvaguardar el derecho al juego y a la educación de los menores que se encuentran enfermos u hospitalizados.   | <a href="#">sito</a> | IT      |
| AIPPS               | La asociación internacional de psicología y psicoanálisis del deporte (OSAL), miembro del Congreso mundial de Psicoterapia, se constituyó en el año 1994 como primera y única asociación OSAL que se dedica a la psicología clínica aplicada a las actividades lúdico-deportivas. La asociación colabora de forma estable y continua con la Universidad "statale" de Milán y en particular con la cátedra de Psicología Clínica de la Facultad de Medicina y de Filosofía de la Ciencia II y de Epistemología de las Ciencias Humanas del Departamento de Filosofía de la Facultad de Filosofía y Letras en la investigación científica en el ámbito de la psicología y psicanálisis del deporte en la perspectiva de su aplicación y difusión. | <a href="#">sito</a> | IT      |

|   |   |                      |    |
|---|---|----------------------|----|
| <b>Altra Psicologia</b>   | Association of professional politics, created on 24th April 2005 to promote an improvement of working conditions of psychologists, members of the Psychologists Association, and more generally of Psychology conditions.   | <a href="#">sito</a> | IT |
| <b>APBA</b>   | Psychologists Association of Buenos Aires. Founded in 1962, is the first association that represents the profession of psychology in the Argentine Republic. All APBA's members have obtained a degree in psychology of an accredited university. Our aims: the development of the psychology as a science and a profession in all its branches; the establishment and maintenance of the highest standards of professional ethics and conduct; the increase and diffusion of psychological knowledge through meetings, discussions and publications; the provide of counsel, information, prevention and assistance for children, adolescents and adult.   | <a href="#">sito</a> | AR |
| <b>Asociacion de psicopedagogos de Capital Federal Presidente dr. Marta Tessari</b> | Se constituyó en el año 1983, es una asociación civil sin fines lucrativos. Objetivos: Contribuir al progreso científico de la Psicopedagogía en el ámbito de la educación y la salud, establecer relaciones de reciprocidad e intercambio científico con instituciones similares del país y del exterior, organizar congresos, jornadas, seminarios, cursos y talleres, velar por la ética profesional, promover el acercamiento cultural, social y profesional de sus asociados, evitar el ejercicio ilegal de la profesión, participar en la promoción de la educación y la salud mental de la población, promover asistencia psicopedagógica en respuesta a las necesidades de la comunidad, confederarse a Instituciones similares de todo el país y el exterior, promover la acción conjunta interprofesional, colaborar con los poderes nacionales, provinciales y municipales mediante asesoramiento, consultas y tareas que redunden en beneficio para la sociedad. Engloba a Licenciados en psicopedagogía, profesores en psicopedagogía, egresados de universidades nacionales, provinciales o privadas reconocidas, colabora con universidades nacionales, provinciales o privadas referente a planes de estudio e investigación. | <a href="#">sito</a> | AR |
| <b>Associazione FRISIA</b>  | Formación, investigación e intervención sobre los sistemas innovadores aplicados al desarrollo del potencial humano – supervisión científica de la Doctora Teresa Gloria Scalisi, titular de las cátedras de “Análisis de datos” y “Psicometría” de la <a href="#">Facultad de Psicología</a> de la Universidad de Roma “ <a href="#">La Sapienza</a> ”. Objetivos: 1. Investigación científica sobre la prevención y la superación de los casos de incomodidad social y psicológica. 2. Formación tanto a nivel profesional como individual y actividades de orientación para todas las personas que lo deseen, con el objetivo de potenciar el desarrollo del ego, de su propio potencial y la integración social de todos los individuos.  | <a href="#">sito</a> | IT |
| <b>Associazione SpazioAcca</b>  | La asociación está formada por padres y madres (sobre todos de hijos con alguna minusvalía), personal escolar y entidades sociales, educativas y sanitarias del territorio (trabajadores sociales, médicos, pedagogos, psicólogos...). La Asociación trae su inspiración del principio de solidaridad social y tiene como objetivo la valorización y la promoción humana y social. Se dirige especialmente a las personas con minusvalías o que se encuentren en situaciones difíciles para tutelar su dignidad y mejorar la calidad de su vida.  | <a href="#">sito</a> | IT |

|   |  |                      |    |
|---|--|----------------------|----|
| <b>C.S.P.As</b>   | La Asociación OSAL italiana "Centro Servizi Professionisti Associati" promueve la intervención y la formación en el ámbito de la psicología del deporte, del trabajo, de la salud y del bienestar.   | <a href="#">sito</a> | IT |
| <b>Centro di Educazione permanente</b>  | Ente para la formación continua acreditado ante la región Veneto (Italia). En él trabajan la Scuola Superiore di Counseling Filosofico e Psicoanalitico Relazionale y la Scuola Superiore di Art-Counseling, acreditadas ante la Sociedad Italiana de Counceling (SICo). El CEP ha realizado más de 1600 cursos que han formado a 31.500 personas..  | <a href="#">sito</a> | IT |
| <b>COMILVA</b>  | Asociación de padres y madres de Trieste (Italia) que luchamos para obtener la libertad de elección sobre las vacunas y para que nuestros hijos estén a salvo de las políticas comerciales de la industria farmacéutica sin escrúpulos, que está influyendo de manera evidente en las elecciones de los Gobiernos en ámbito de política sanitaria.   | <a href="#">sito</a> | IT |
| <b>Comitato di lotta in difesa della psicoterapia</b>   | Somos un grupo de Psicólogos psicoterapéutas que trabajamos desde hace años en los Centros de Rehabilitación acreditados antes el Sistema Sanitario Nacional italiano y los Centros Sanitarios Locales (AASSLL) de la región Campania, cuya administración local ha remitido una carta circular que invita a los distritos sanitarios de la ASL Na 1 (centro sanitario local de la ciudad de Nápoles) a que cierren todo tipo de terapia psicoterápica, que se realizaba en colaboración con los susodichos Centros de Rehabilitación, antes del 31 diciembre de 2006. Esta circular perjudica el derecho de 4200 pacientes al tratamiento psicoterápico, además del puesto de 300 Psicólogos psicoterapéutas. La psicoterapia es un tratamiento imprescindible para las personas que la necesiten. Por tanto el Sistema Sanitario Nacional no puede prescindir de nosotros, a menos que esté dispuesto a sufrir una gran pérdida.   | <a href="#">sito</a> | IT |
| <b>Comitato Permanente di Consenso e Coordinamento per le Medicine Non Convenzionali in Italia<br/>Coordinatore: Dott. Paolo Roberti di Sarsina</b> | <p>Coordinador: Doctor Paolo Roberti El Comité Permanente de consentimiento y coordinación sobre Medicina no convencional (Italia) representa a alrededor de 12 000 profesionales entre médicos, odontólogos y veterinarios de todas las disciplinas médicas reconocidas por la Federación de los Colegios de los Médicos Cirujanos, Odontólogos y Veterinarios, osea acupuntura, fisioterapia, medicina antroposófica, Medicina Ayurvédica, Medicina Homeopática, Medicina China Tradicional (MCT), Homotoxicología y Homotoxicología. | <b>Pedagogia Olistica Siciliana</b>                  | Asociación de Pedagogos de la región Sicilia partidarios de una nueva forma de voluntariado que no se limite a asesorar, sino que promueva el desarrollo y cree oportunidades de trabajo. Sedes en Lombardía, Véneto, Liguria, Emilia-Romaña, Lacio, Apulia, Sicilia y Cerdeña.  | -                    | IT |
| <b>Pedagogisti on line e Pedagogisti volontari</b>   | La asociación tiene sedes en Lombardía, Véneto, Liguria, Emilia-Romaña, Apulia, Sicilia y Cerdeña. Da respuestas concretas rápidamente a las necesidades que los servicios públicos no satisfacen de manera adecuada y, simultáneamente, informa a los ciudadanos sobre el papel del pedagogo.   | <a href="#">sito</a> | IT |
| <b>R.O.I.</b>  | Registro de los Osteópatas Italianos. Es la asociación privada que mejor representa la osteopatía en el territorio nacional. Tiene la tarea de representar a los profesionales y de controlar y uniformar la formación de los médicos.   | <a href="#">sito</a> | IT |
| <b>Società di Psicoterapia e Bioterapia Olistica</b> | La nostra Associazione è formata da psicologi-psicoterapeuti che integrano la psicoterapia con l'utilizzo delle Medicine naturali (omeopatia, fitoterapia, oligoterapia, floriterapia, ecc.). Nostri associati sono anche responsabili di Ambulatori pubblici in alcune ASL e attuano interventi che (soprattutto su i bambini ed adolescenti) non condividono l'uso degli psicofarmaci (vedi ADHD). L'associazione è diretta dal sottoscritto Mario Papadia, presidente, Antonio Santaniello, vicepresidente, Rossella Castellani, responsabile scientifico.  | <a href="#">sito</a> | IT |
| <b>Società Sarda di Pedagogia</b>                    | Asociación de Profesiones Pedagógicas de la región Cerdeña. Sede: via Mercadante n. 106, 09045 Quartu Sant'Elena, teléfono y fax: 070 868072.  | <a href="#">sito</a> | IT |

|                              |  |                      |    |
|------------------------------|--|----------------------|----|
| <b>SOS crescere</b>          | Promover el bienestar psicológico y social de la niñez y la edad evolutiva, además del apoyo a la familia para prevenir el malestar infantil y de la adolescencia a través de campañas de información, formación y consulta.   | <a href="#">sito</a> | IT |
| <b>Tracce Freudiane</b>      | Asociación cultural y libre de Personas, Istituciones y Entes que se interesan por la elaboración y la difusión de la teoría psicanalítica. No persigue fines lucrativos y entiende cumplir con su objetivo estatutario a través de la práctica clínica según el principio que considera el psicoanálisis como ciencia del arte de la palabra.   | <a href="#">sito</a> | IT |
| <b>TUTTINSIEME</b>           | Federación Europea de Asociaciones de Voluntarios en ámbito hospitalario y socio-sanitario que se compone de 26 asociaciones y 94.000 asociados.   | <a href="#">sito</a> | IT |
| <b>Università di Salerno</b> | Heredera de la Antica Scuola Medica Salernitana. Tiene más de 40.000 estudiantes matriculados, casi 800 docentes, 9 Facultades, 29 Departamentos, además de un patrimonio bibliotecario de más de 700.000 volúmenes.   | <a href="#">sito</a> | IT |
| <b>Vaccinetwork</b>          | Coordinadora: Doctora Claudia Benatti. La asociación Vaccinetwork lucha desde hace años para lograr una elección terapéutica adecuada. Considera incorrecto el método psiquiátrico actual con respecto a la infancia e inoportuna la suministración de fármacos como el Ritalin en los casos de ADHD (Trastorno por Déficit Atencional e Hiperactividad) que además no tiene ningún fundamento científico. Los niños tienen que volver a ser los dueños de su infancia sin que las decisiones de los médicos perturben su integridad psíquica. | <a href="#">sito</a> | IT |
